Introducing Wicked Cutz Jerky

Towards the end of the video, Matt and Branch begin talking about Wicked Cutz Jerky, Branch's new Texas-inspired jerky line in partnership with Scott James of BSN and Sinister Labs fame.

If we don't have any products on our Wicked Cutz page yet, you can take a look at WickedCutz.co and try a variety pack!

What else is Branch Up to?

Outside of his training (he's still in beast mode!), Branch has three other things outside of Wicked Cutz:

1. Updated: Branch Warren is now with Kaged Muscle!
2. Black Skull Supplements, which will officially launch in the US at the 2018 Mr. Olympia
3. Bodybuilding and Fitness Events and Expos – Learn about them at TheBranchWarren.com
4. Ongoing sponsorship with GASP
