

Cellucor C4 ULTIMATE On the Go Pre Workout Cans Revealed!

written by Mike Roberto | April 29, 2018

When we recently covered the Cellucor C4 on the Go, there was debate as to whether it was an *energy drink* or a *pre workout* supplement.

Well, there's no question with this one. This is a *fully-fledged pre workout RTD Can!*

No artificial colors in the Arctic Snow Cone flavor!

Of the *Arctic Snow Cone* and *Tropical Blast* flavors, the Arctic Snow Cone has no artificial colors! However, at first taste, tropical blast still won the prize.

Given this label, there's no doubt this is a *pre workout supplement* in a can. We're confident that Cellucor will sell a lot, as they believe that a ton of people are still training with regular energy drinks. But what about when we're *not* training but looking for a serious jolt? Will Cellucor cover *that* use case anytime soon?

Stay tuned, they just might...
