## Mike's official NutraBio 100% Whey Isolate Breakfast Flavors Review

It mixes with coffee (as long as it's not *too* hot). It mixes with oatmeal. And it mixes fantastically with water. This stuff is just lights out!!

### Mike's pre-release teaser review

*"Two grand slams and a home run!"*

The *Pancakes & Maple Syrup* is one of the best flavors I've ever had (I love maple flavor), *Cinnamon Sugar Donut* is phenomenal and I want to try it in coffee, and the *Blueberry Muffin* is the best blueberry flavored protein I've had yet.

NutraBio has taken it to heart how badly they want to compete in the flavor game, and their flavorist Miguel has *clearly* come through. This is *not* the NutraBio of past decades, that's for sure!

As always, these will also have fully-disclosed labels with third-party lab tests available.

The game has been stepped up, folks!
