

# NutraBio IRISH WHISKEY CREAM Classic Whey is Back for 2021!

written by Mike Roberto | March 5, 2021

A year after one of the fastest limited edition flavor sellouts we've ever seen, NutraBio is bringing back a limited-edition flavor for 2021, and it's unlike anything out there on the market!

## Irish Whiskey Cream Classic Whey!

As you can see in the image on this page, this is a *real* thing, but it's only available for a *short* amount of time. Re-launched on Friday, March 5, 2021 and shipping on Monday, March 8, we're not so sure this St. Patrick's Day inspired flavor will even still *be around* by the time the party starts.

Last year, the brand that makes supplements *Without Compromise* launched this near-instant-sellout hot off of *four* incredible "Ice Cream Parlor Series" flavors of **NutraBio Classic Whey:**

- *Strawberry Shortcake*
- *Ice Cream Cookie Dream*
- *Orange Dream and*
- *Pistachio Delight*

# NUTRABIO®

PURE SUPPLEMENTS | PURE RESULTS

NutraBio's limited edition flavors are talk of the town, but the *real* story is that they've been the industry leader in quality and transparency, and have been for quite some time.

This year, we're hoping they've learned the lesson of *manufacturing a whole lot more*, because this flavor was an instant sensation in 2020.

It'll be available in the 2lb tubs, and you can check the macros below, but first we show our PRICEFLOW coupon-driven prices and a sign-up box for more NutraBio news, because they'll be doing a lot more stuff in the coming months!

## What is “Irish Whiskey Cream” anyway?

Irish Whiskey Cream *usually* comes in a blend of chocolate, vanilla, and nutty flavors with a hint of spice that takes it over the edge.

This should be the flavor of popular Irish cream liqueur, simply without the whiskey! *Typically*, this comes in a blend of chocolate, vanilla, and nutty flavors with a hint of spice that takes it over the edge.

However, it looks like NutraBio *skipped* on the chocolate part, since we don't see any cocoa on the label! So you can expect the whiskey notes and creamy notes to do all the talking here.

As a pure whey protein concentrate (exclusively WPC-80, which is 80% protein by weight and the most pure form of concentrate available), Classic Whey brings an insane amount of *creaminess* to all of its flavors – and that will work *perfectly* with a flavor like this!

The color should be a hint of green, given the two natural colors of beta carotene and blue spirulina in the profile (as always, NutraBio gives a 100% full disclosure label, as discussed in our article titled *The NutraBio Story*).

This is similar to other Classic Whey labels. As mentioned above, in this protein powder, we have a **pure WPC-80 Whey Protein Concentrate 80%**, so you'll get a smidge more carbohydrate and fat than NutraBio 100% Whey Protein Isolate... but also a richer, smoother flavor along with it!

### Learn the benefits of *Classic Whey*

To read more about the formula and the benefits of whey protein concentrate, see our primary **NutraBio Classic Whey** blog post: *100% WPC-80... 100% Excellent!*

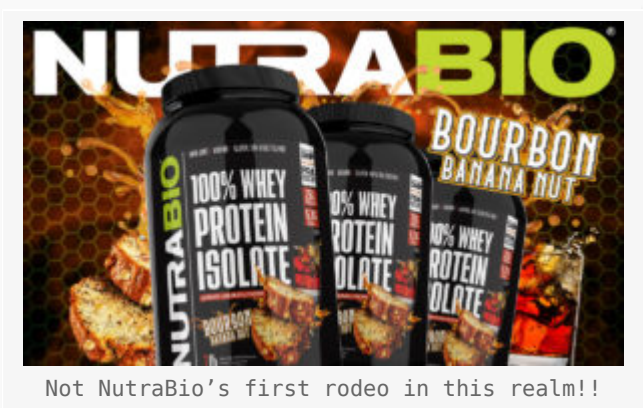

### See all Classic Whey Flavors

Below is an up-to-date list of all flavors of Classic Whey that are in stock at one or more stores:

Creamy, rich, and nutty, but not too sweet. The Pistachio Delight flavor of Classic Whey is the real deal, and extended NutraBio's Ice Cream Parlor Series to *four* flavors!

## The second “booze” related flavor from NutraBio

Not NutraBio's first rodeo in this realm!!

NutraBio's flavorist, Mike Perez, definitely has his fair share of fun! After all, they launched a *Bourbon Banana Nut* flavor of 100% Whey Protein Isolate, and it was so good that company founder and CEO Mark Glazier decided to make it a permanent lineup of their 100% Isolate lineup!

Bourbon Banana Nut was followed up by *ridiculously* phenomenal Banana Cream Pie flavor of Classic Whey, one that we quietly teased on this very blog post in

2020. As good as Irish Whiskey Cream is, it will be tough to beat the Banana Cream Pie flavor, which was easily a top flavor of the year for the entire industry.

## NutraBio Keeps the Heat On

If Leg Day and Irish Whiskey Cream are any indicators, 2021 is going to be a great year for NutraBio.

Right after the insanely successful **Leg Day** intra workout powerhouse launch, NutraBio's getting on a hot streak. As shown in our NutraBio news page, they obliterated 2019 with release after release, and then brought home the bacon with a Shaun Clarida Mr. Olympia win (which led to "The Giant Killer"'s limited edition tub of protein). But 2021 is going to be a very special year for NutraBio, as we're hearing some major things. If the power of Leg Day and the fun of Irish Whiskey Cream are any indicator, you better buckle up for the ride.

So sign up below and check out our PricePlow-powered coupons, 2021's only warming up!
