PricePlow/Clutchwave Inc.

Cheyenne, WY

**PROJECT: "Sample Analysis"**

**RTP Labs ID: 16-029**

Presented below are the laboratory results of the samples received on April 25, 2016. We received the sealed samples labeled as listed below. The samples were extracted and analyzed by GC/MS and FTIR and compared against reference standards obtained from independent sources.

### Laboratory Analysis Report

<i>Product Name</i>	<i>Batch/Lot</i>	<i>Test Results</i>	<i>Assay mg/serv</i>
MAN Sports PUMP powder	No Lot Number	Glycerol by GC/MS Glycerol monostearate by FTIR	ND 1545

ND means Not Detected.

The testing was conducted according to the FDA cGMP for Dietary Supplements Final Rule, June 25, 2007.

Sincerely,

A. [REDACTED] 2016.05.18
