R. Civ. P. 26 (a)(2)(B), as modified by Local Rule 26.2(b). Supplementation to the expert witness report shall be done in accordance with Fed. R. Civ. P. 26(e)(1). This deadline shall only be extended for good cause shown. All parties are entitled to know the claims and parties well before trial. Although this deadline precedes the general discovery deadline, the parties are directed to send out all discovery requests that might relate to amendment, joinder or ADR well in advance of this deadline to obtain the responses needed to make an informal decision on amendment, joinder and/or resolution.

ADR Conference: The parties who have settlement authority shall participate in mediation on or before **June 1, 2017**. The parties shall file with the court a joint written statement regarding the efforts and progress made towards settlement within **seven (7) days** after mediation is complete. The mediator will also determine whether any follow-up mediation sessions are necessary.

Named parties shall be present during the entire mediation process in accordance with Section (m) of the Mediation Program Procedures for the District of Idaho. The parties shall make independent arrangements for payment of fees for the mediation. The costs of mediation are to be divided and borne equally by the parties unless agreed otherwise.

3. Stand when addressing the Court. When making an objection, stand and state only the legal basis for the objection. If a response is necessary, be brief, without making a speech. If it is **critical** to the case that counsel be heard in more detail, a bench conference may be called to explain the basis for an objection. Otherwise, bench conferences will not be permitted.

8. Refer to all persons, including witnesses, other counsel and the parties by their surnames and not by their first or given names.
9. Only one attorney for each party shall examine or cross examine each witness. The attorney stating objections, if any, during direct examination, shall be the attorney recognized for cross examination.
10. Prior to testifying, counsel shall place before the witness all exhibits to which he or she will testify.
11. Diagrams or exhibits should be drawn or marked by the witness before taking the stand.
12. Any witness testifying at the time of recess or adjournment must be back on the witness stand when the Court reconvenes. If a new witness is to be called, he/she must be standing in front of the witness box ready to be sworn.
13. In examining a witness, counsel shall not repeat or echo the answer given by the witness.

14. Gestures, facial expressions, audible comments, or the like, as manifestations of approval or disapproval during the testimony of witnesses, or at any other time, are absolutely prohibited.
